## **Subject: Executive Committee Positions, LCMHC AGM 2011**

The following table lists the executive committee positions (i.e. all those not specifically linked to one of our six teams), the people currently in those posts and whether they have indicated they are willing to stand for the 2011/ 2012 season.

Please note, that a willingness to stand does not mean that continuation in these posts is automatic, candidates must be nominated and accepted at the AGM.

If no further candidates for these positions (where currently post holders have indicated they will stand again) are identified at the AGM, then voting for the positions will be on block.

Please pay special attention to those positions where people are standing down and hence the positions will be vacated. New candidates must be found for these positions.

Also, please remember that the captains and secretaries for each team will also be selected at the AGM.

<b>Position</b>	<b>Currently held by</b>	<b>Standing for 2011/2012?</b>
